

*Implementation of ISO 17025
in Italy*

Maria Scognamiglio
Tecnical officer

9th September 2019

Department of Testing Laboratories (DL) – Rome

- Testing laboratories - ISO/IEC 17025: **1.208**

2005

TRANSITION

2018

Accredited Laboratories

- Testing laboratories - ISO/IEC 17025: 2005: **1.026**
- Testing laboratories - ISO/IEC 17025: 2018: **182**

15%

Example of Findings

- NO risks and opportunities were identified and in particular the risks for impartiality on an on-going basis...
 - NO internal audits have been performed against the new standard
 - Aspects related to the new information provided for the Report, (eg: a disclaimer on the report when the information supplied by the customer can affect the validity of results)
 - NO communication or agreement with the customer about decision rule
-

Transition

The transition may be granted following the closure of the NC

- Documental verification of the evidence
- Supplementary audit
- No concession transition

...and for plant pest diagnostic labs??

- 2 PUBLIC LABS
- 2 PRIVATE LABS

No transition assessment so far in this field

Anyway in October 2019 the first plant pest diagnostic lab will be assessed according to new ISO/IEC 17025

For the other labs, the transition audit are planned before february 2020

Thank you
